

REV IT UP!

Camp Donation Project

Overview

- “Rev it Up” is a donation project designed for chapters to invest and take ownership of their camp.
- FFA and FCCLA Chapters collect their donations during the school year, bring the funds to SLC, and help select improvement projects at the camp.
- Chapters earn rewards at SLC for different levels of giving (see Rewards below.)
- The top five donating chapters that give a minimum of \$500 will receive a golf cart for their week of camp! Four chapters will receive a regular golf cart, and the chapter that raises the most funds will get to ride “The Beast” - a stretch golf cart that their chapter will get to use for their entire week of SLC!

Raise Money to improve your camp!

- All funds will be used for improvement projects at the Georgia FFA-FCCLA Center.
